

East Cobb Quilters' Guild

Susan Brubaker Knapp Workshops

March 25th and March 27th, 2010

"Start with a Photo"

Thursday, March 25, 2010 9:30 – 4:30

Location: Government Center

We were so excited by Susan's fabric photo skills that we wanted to give everyone a chance to take this class! You will learn the skills you need to take your favorite photo and interpret it in fabric. We will all be working on the same photo that will be provided by Susan. We will learn how to position overlay from clear upholstery vinyl, create patterns on Heat-n-Bond, cut out fabric pieces, fuse them, and use thread to "paint" on top of fabric.

"Thread Painting"

Saturday, March 27, 2010 9:30 – 4:30

Location: Community Bible Church

This is the class for you if you have basic machine quilting experience and want to expand your skills to create color and texture with thread. Using a line drawing of a dragonfly, students will learn how to: Make templates for the body and create fusible pieces, stabilize the fabric surface, choose the right threads for threadpainting, and adjust tension for correct stitch.
