Fabric Requirements:

Border Fabric not include in Fabric Requirements

- * **Square stones (darkest value)** – 4 different fat qtrs or 1 yard
- * **Small triangles (lightest value)** – 4 different fat qtrs
- * **Large triangles (medium value)** – 5 different fat qtrs

Cut – read all directions before cutting (you can stack your fat qtrs to make this easier)

- Square Stones – Cut 14 squares 3" x 3" from each of the 4 fat qtrs; discard 2 squares to equal 54 squares.
- Small triangles – cut 14 squares 3-3/8" x 3-3/8" from each of the 4 fat qtrs; discard 2 squares to equal 54 squares; cut these squares in half diagonally to equal 108 triangles.
- Large triangles – cut six squares 5-7/8" x 5-7/8" from each of the 5 fat qtrs; discard 3 squares to equal 27 squares; cut these squares in half diagonally to equal 54 triangles
